

A black and white movie poster for the film 'Moby Dick'. The central focus is a close-up of Gregory Peck's face, looking slightly to the left with a serious expression. Above his head, a large whale is shown breaching the water, with a small figure of a man on its back. The background is a dark, textured sea. In the top left corner, there is a circular logo with the word 'FILMS' inside. A vertical grey bar on the right side contains the text 'CANARIAS Y EL CINE' written vertically. At the bottom, the title 'MOBY DICK' is written in a large, stylized, outlined font. Below the title, the names of the other cast members and the director are listed in a smaller font.
